

REMARKS

In the Office Action mailed March 6, 2009, Claims 1-6, 45-49, 54-56 and 67-77 were rejected under 35 U.S.C. § 101 as being directed to non-statutory subject matter. Claims 8, 10, 12, 15, 50-53, and 57-66 were allowed.

With respect to the Section 101 rejection, Applicant has amended the rejected claims to recite an apparatus, i.e., a "display unit" so as to eliminate the grounds of rejection asserting that those claims are non-statutory process claims. Applicant has further amended certain claims to improve their form and eliminate inadvertent typographical errors.

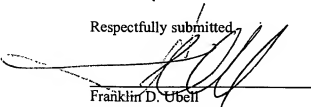

In view of the foregoing remarks and amendments, Applicant respectfully submits that the application is in condition for allowance and solicits reconsideration and an early notification of allowance.

If necessary, Applicant requests that this response be considered a request for an extension of time appropriate for the response to be timely filed. The Commissioner is directed and authorized to charge all additional required fees, except for the Issue Fee and the Publication Fee, to **Deposit Account Number 50-2638**. Please also credit any overpayments to said Deposit Account. Please ensure that Attorney Docket Number 076360.011600 is referred to when charging any payments or credits for this case.

The Examiner is invited to contact the undersigned at the telephone number provided below should any question or comment arise during reconsideration of this matter.
